Welcome

Founders= Hall staff are very pleased to have you and your classmates join us to explore the history of Canada=s confederation story. We will begin in 1864 with the Charlottetown Conference and continue through as each province and territory joins the nation, until 1999 when Nunavut was declared a separate territory. In the various areas of the interpretive centre, we explore the issues surrounding the addition of that part of our country. The information is presented via a self-guided audio visual tour using an infrared headset system with additional information provided by the use of maps, text panels, dioramas, holovisuals, interactive displays and computers.

*Be sure to keep you eyes as well as your ears open during your visit.
